

Compliance with the Working with Children Act 2005

Upon working either in a voluntary or paid position or visiting St. Patrick's a current copy of Working with Children's Check needs to be presented at the front office. A photocopy is taken and filed in the Working with Children's Folder. This is located at the front office.

The school secretary, maintains and monitors the register to ensure it is up to date.

If a copy of Working with Children's Check cannot be produced the person is to be escorted by a VIT registered staff member.
