ST. PATRICK'S
Primary School Kilmore

Dear St Patrick's Prep Family of 2027,

At St Patrick's Primary Kilmore we use the SIMON Schools PAM platform to communicate important information with families. Your Parent Access Module account gives you access to your child's Semester Reports, School Activities, Medical information along with the ability to notify the school of absences. The school will also contact families via PAM with any urgent information (eg. a power outage).

Please note, your PAM account will not be activated until Term 1 2027. You will be sent details regarding your account via email once your child has commenced the 2027 school year.

If you have any concerns or queries until your PAM is activated, please contact the school office on 5782 1579.

Kind regards

Kaitlyn Bickerton

Digital Technologies Administrator
& Administrative Assistant
